What is Entrepreneurs Foundation?

Entrepreneurs Foundation works with firms and companies of all sizes ranging from emerging growth to large publicly traded companies to design, enhance and execute their corporate citizenship, corporate social responsibility, community benefit and philanthropic programs. Entrepreneurs Foundation is a 501 (c) (3) not for profit organization and was founded in 1998.

What is Entrepreneurs Foundation's mission?

Entrepreneurs Foundation's mission is to engage companies in corporate citizenship and philanthropic efforts so that new and leveraged resources are generated for community benefit.

Who can join Entrepreneurs Foundation?

Both private and public companies can join Entrepreneurs Foundation.

How can you get involved as a private company?

Private companies sign up with Entrepreneurs Foundation to create their corporate foundations and begin the development of their corporate community involvement and philanthropy programs. Most private companies choose to achieve these two objectives by making an equity grant to Entrepreneurs Foundation. This equity supports the creation of the Company's own corporate foundation as well as the development and implementation of a customized philanthropic and community involvement program. If you'd like to learn more about how your private company can join Entrepreneurs Foundation contact Dipti Pratt at dpratt@efbayarea.org.

How can public companies get involved?

Most public companies need assistance with strategy, program enrichment and specific project execution. In some cases, public companies who have not yet begun a corporate philanthropy or community involvement program, engage with EF for a full spectrum of services. If you're interested in EF's services for your company, contact Diane Solinger at dsolinger@efbayarea.org.

What happens after a company joins Entrepreneurs Foundation?

Entrepreneurs Foundation meets with company executives to understand overall goals of their community programs. Entrepreneurs Foundation develops strategic offerings that include

recommendations for the company's community program as well as potential community partners. Programmatic recommendations are often based on the results of an employee survey, which EF conducts on the company's behalf. Depending on the focus area and goals of the program, Entrepreneurs Foundation provides all member companies with a customized approach to create strategic corporate citizenship programs that have a positive impact in both the community and the company.

Why join Entrepreneurs Foundation?

Joining Entrepreneurs Foundation gives companies a chance to engage in the community while also enhancing the company's corporate culture and improving team building, recruiting, retention, morale and employee satisfaction through community programs. Community programs make business sense, improve brand trust and enhance corporate culture. Joining Entrepreneurs Foundation also provides the company and selected staff with opportunities for continued learning, professional networking and marketing.

How many companies have joined Entrepreneurs Foundation inception?

Entrepreneurs Foundation has had over 880 companies join since its inception in 1998 in United States and Israel.

How can non-profit organizations partner with Entrepreneurs Foundation and our member companies?

Entrepreneurs Foundation is always looking to expand our community partners. For a list of our current community partners, a better understanding of how our companies partner with community benefit organizations and how you can share your organization's needs with our network, please visit the EF Network section of this website.

How can Venture Capitalists get involved?

Venture capitalists recommend and endorse Entrepreneurs Foundation to portfolio companies and other venture capitalists. In addition, many VC's and VC firms financially support Entrepreneurs Foundation through cash and equity donations. If you are interested in becoming a venture capital supporter of Entrepreneurs Foundation, please contact Dipti Pratt at dpratt@efbayarea.org.

How can professional service firms get involved with EF?

Attorneys, accountants and other professional services providers make introductions to potential Entrepreneurs Foundation members. Additionally, some firms will include Entrepreneurs Foundation membership in corporate documents such as articles of incorporation or venture capital term sheets. And, many professional service firms sponsor Entrepreneurs Foundation and Entrepreneurs Foundation events because of the marketing benefits associated with the organization's network.

How is Entrepreneurs Foundation supported?

Entrepreneurs Foundation is supported through liquidity events from donated equity, fee for service consulting and cash contributions from individual donors, corporations and foundations.

If you would like to contribute to EF's mission of increasing corporate philanthropy and community involvement, please visit the Donate Now or Contact Us sections of our website.

Does Entrepreneurs Foundation have other offices?

Yes, Entrepreneurs Foundation has affiliate offices located in: Austin, Colorado, Dallas, Hawaii, Lexington, New Hampshire, New Mexico, Portland, and Tel Aviv.

How can I join with Entrepreneurs Foundation in the movement of corporate social responsibility?

Become a member and develop a comprehensive citizenship program; attend our events, join our social network, volunteer to expand Entrepreneurs Foundation's membership and subscribe to our email updates.

Where can I find tools and examples to help my company with our corporate social responsibility efforts?

Entrepreneurs Foundation is excited to share our resources to help enhance your corporate programs and as a starting point to learn about what others are doing with their corporate citizenship efforts. To get started viewing these resources visit the EF Services section of this website.
